Abstract:

The Project Abstract Summary form provides the Federal grant-making agencies an alternative to the Standard Form 424 data set and form. Agencies may use Project Abstract Summary form for grant programs not required to collect all the data that is required on the SF-424 core data set and form. Project Abstract Summary form is used by organizations to apply for Federal financial assistance in the form of grants. This form is evaluated by Federal agencies as part of the overall grant application. This IC expires on February 28, 2022. Grants.gov seeks a three-year clearance of these collections.
